

# Central Coast Tourism Council (CCTC)

[www.CentralCoast-Tourism.com](http://www.CentralCoast-Tourism.com)

*The Central Coast of California comprises seven coastal counties of the Golden State, lying between Santa Cruz and Oxnard. The Central Coast comprises over 300 miles of the state's inimitable coastline and 14,333 square miles of spectacular—and spectacularly varied—California landscape.*

*On behalf of the Board of Directors of the Central Coast Tourism Council we are proud to present this letter of support for The California Space Center at Vandenberg Air Force Base. The Central Coast Tourism Council believes in the California Space Center and how it will benefit tourists and will provide an educational and inspirational experience for students of all ages.*

*Sincerely,  
The Board of Directors  
Central Coast Tourism Council  
Charlie Yates  
Charlie Yates, President*
